

FAMILY PROGRAMMES

inlingua La Rochelle offers a wide range of activities for parents, grandparents, and children – programmes where each person can select the activities of their choice with or without French lessons.

"LIBERTY" FAMILY PROGRAMME

This programme enables parents and grand-parents to accompany their children to classes or activities, and to benefit, if they wish to do so, from our adult French classes at the same time.

Host Family accommodation is available for this or we can equally help find you and your family the perfect flat or villa for your stay.

This programme is open to any family with at least one member participating in our French courses.

For children under the age of 6, **inlingua** can offer a childcare service. Our babysitters are trained professionals, ensuring your child's safety, where she/he will benefit from the exposure to the language, and maybe even learn a few words!

SAILING

inlingua La Rochelle is partnered with the Ecole de Voile Rochelaise (EVR) sailing school, less than 1 km from our centre.

The Club

The club, which has been a big part of the La Rochelle sailing culture for the past 20 years, is affiliated to the FFV (French Sailing Federation). The equipment, the club and the team ensure that even the youngest child will be able to enjoy sailing in total security.

Sailing lessons take place from 10:00 to 1:00 on weekdays.

One of the group leaders from **inlingua** will start the day with some games with the children from 9AM. They will then be driven to the sailing school in one of the school's minibuses for 10:00.

Parents coming out of lessons at 12:15 will then have plenty of time to either walk or drive to the sailing school to pick them up afterwards.

Dates

From 12th to 26th April

For 4-5-year-olds:

Le Jardin des Mers

An opportunity for your child to discover the world of the sea through activities. The goal is to familiarise them with the sea and its wildlife. The club takes the children rock pooling at the Plage

des Minimes where they fish for crabs, oysters and much more!

For 6-7-year-olds:

Les Moussaillons

The children enjoy the very basics of sailing in small groups. They discover all the sensations in an Optimist, a catamaran or even wind surfing with equipment specially designed for their age group. The sailing instructors offer a wide variety of activities to keep the children inspired throughout the course.

Optimist

Children go on a journey of discovery, where they experience the power of the sea and the wind with professional sailors in 3-hour sessions.

Catamaran / Windsurfing

Children enjoy time on catamarans or windsurfing with stable, fast, and easy to use equipment in 3-hour sessions.

For those who want to join our courses but have children at home, **inlingua** offers a child care service up to the age of 5. We work with a team of qualified child carers. Child care starts at 8:30AM and ends at 12:30PM, giving parents plenty of time to participate in our French classes. These times can be extended if the you are staying further away. Any additional time will cost extra.
